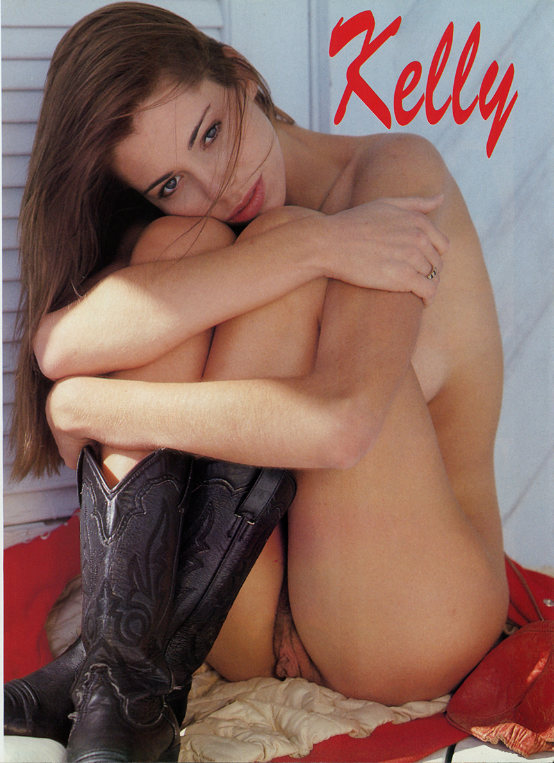
Kelly



The South of France is probably the last place you'd expect to hear a woman with a Wolverhampton accent! But Black Country beauty, Kelly is living proof that Midlanders can be sleek and sophisticated. "Where there's muck there's class!" claims the 20-year-old, but admits that she has a much better time on the Cote d'Azur "I love swimming in the nude, feeling the waves lap against my pussy, keeping me cool and getting me hot at the same time," she says with a sigh. "It feels like a hundred tiny tongues teasing my nipples, and tunes me up perfectly for a night on the town. The fellas don't need to bother with foreplay — the sea's done it for them! Very different from home — the only water in Wolverhampton is the canal!"

BARBARA

PHOTOGRAPHS BY DENYS DEFRANCESCO

Everyone has a great novel inside them, it's said, and in Barbara MacDonald's case it's a bloody saucy one! "I am writing the story of my sex life so far," says the 18-year-old authoress, "but I think it's probably too rude to be sold in Smiths." In chapter one, the blonde tells of how she lost her virginity to a fairground roustabout, spent a year permanently partying with guys ranging from Mercedes-owning merchant bankers to local students, then turned her attention to becoming a model. And it's all true! The only trouble is that Barbara may never finish the book. "Every time I remember something I get so turned on," she admits. "And then the last thing I want to do is type!"

LANA

PHOTOGRAPHS BY MARIA CLARKE

Leggy Lana, or as we can now reveal, sexy Svetlana, last appeared in Vol 28 No 13 At the time that the magazine was published we were sworn to secrecy about her true identity — so we made up a load of guff about her being a tom-girl

from North London.

Now that the saucy ex-KGB spy has come in from the cold, we can drop all the cloak and dagger stuff and just admit that she's a raunchy Red from Rostov instead!

So here's Svetlana with her cover blown — from Russia with love, even if it was via Harlesden! Ⓜ

HELEN Wilkinson

PHOTOGRAPHS BY TERRY MUNNS

If you associate dressing in white with being virginal, you obviously haven't met 21-year-old Helen Wilkinson. For whilst her wardrobe looks like a rack of wedding dresses, she is about as pure as driven slush! "Oh thank you!" says the Suffolk sex-pot with mock indignation. "Just because I enjoy a night out with the lads rather than the lasses..."

Well, it's not just that is it, Helen? "Okay, so I like flirting with men, and perhaps I have taken one or two to bed..." So why the all-white wardrobe? "I like giving men a false sense of security," she laughed. "Just when they think I'm a sweet timid little thing, I pounce and don't let go! Some men say they haven't been able to get it up again for a week!" Ⓜ

Mandy

PHOTOGRAPHS BY MICHAEL MOORE

19-year-old Mandy Westcliffe from Farnham was thrilled to be asked to do these photos for *Mayfair* "I did it on a beach once," confessed the beautiful blonde. "It was on my first holiday away from my parents and I fell arse over tit for the local heart-throb. Watching all those gorgeous blokes on the beach had got me really horny so it didn't take much beyond a great tan and bulging swimming trunks to get me going! I've got a horrible feeling that he actually said, 'Voulez-vous coucher avec moi ce soir?'"

And you fell for it?

"I must have done, because the next thing I knew my knickers were round my ankles and I had sand in places I didn't know I had!" Ⓜ

KATE
Sanford

We thought that 18-year-old Kate Sanford with her 34-24-35 vital statistics was the perfect embodiment of everything wonderful about a fresh Spring day. So much so that we've made her our *Mayfair* Queen.

"I'm honoured, guys," she giggled. "But shouldn't I be wearing a crown or something?"

Er sorry love, the budget didn't run to the crown jewels... and, um, we thought your glory needed no crowning! Ⓜ

GIRL OF THE MONTH
KATE

carrie

Curvaceous Carrie has just turned 18 years old, but despite having passed this milestone the only male she'll consider sleeping with is Ralph. You guessed it, Ralph, the fluffy bunny

We asked Carrie if she ever longed for a bit of the real thing after all that fake fur

"You must be kidding! With Ralph I know exactly what I'm getting. He never stands me up, he has no nasty nocturnal habits and he looks as good in the morning as he does the night before!"

We grudgingly admitted that she did have a point, but there are some things a bunny just can't do for a girl. So if there are any carrot-eating, big-toothed bucks out there get in touch with Carrie and maybe you can shag like rabbits! Ⓜ

Michelle Tooley

"I just love Bubbles!" gushed effervescent Michelle Tooley from Reading What? Michael Jackson's monkey? "No!" she giggled. "Fizzy bubbles, you know, like you get in champagne! Not that I can afford it very often, but when I can, I treat myself to a bottle and splash it all over my body. Then I let anyone lucky enough to be with me lick it off

"Your photographer didn't have any in his fridge so we had to make do with mineral water instead, but he's promised he'll get some of the real thing for my next shoot. "

Eau, err, missus!

If a beautiful woman in a mac and boots flashes at you — if only you should be so lucky! — don't report it to the police until you've checked it isn't "Holly" Bush from Bexhill. Holly, her real name is so posh she says she never tells anyone what it is, admits that most of her clothes actually come from the Oxfam spring col-

lection. But despite their humble origin, what lies underneath is far from understated. "I love wearing clothes that reveal a flash of stocking tops or my saucy undies," the 20-year-old says. "I've sent many a man lurching into a lamp post after they've spotted the surreptitious sheen of silk beneath my coat! You could say I'm one of Bexhill's biggest traffic hazards!"

Jenna

When we spotted juicy Jenna nestling behind the bar of a pub in Gloucestershire we were thrilled. The bubbly 19-year-old was putting in a few extra hours pulling pints to top up her grant for art school.

"I've always liked working in the pub," she revealed, "because it's a really good way to meet the local talent. When I first arrived here I felt a bit lonely, but now I know just about everything desirable in trousers! And believe me, as an ex-city girl, let me tell you there's more to most farmers than meets the eye!

"It must be something about being so close to nature..." she added wistfully. M
